Unit 1 worksheet

Teaching notes

Skills and language practised

	Skill	Language
Activity 1 and 2	Working with words	mechanisms
Activity 3 and 4	Sentence building	punctuating direct speech

Follow-up activity

Lead the children through a scenario of using a time machine to go back in time. Each phrase you say should have a mimed action to go with it. For example: *Push the button to open time machine; Pull the handle to start; Press the switch to activate; Look at the screen.* Then mime the actions and have the class call out the phrases, and vice versa. After the whole class activity, the children can practise in pairs.
