

## Macmillan English 3 Unit 6 worksheet Teaching notes

### Skills and language practised

	Skill	Language
Activity 1, 2 and 3	Spelling	aw (sounding or as in claw)
Activity 4 and 5	Writing	describing an extinct animal

### Follow-up activity

Make mini-books with the class. For each child you need four to five pieces of small paper stapled together on a long edge. On the first piece of paper, the children all write the question: *What was this animal?* On the following pages, they write one piece of information about an animal from Language Book page 53 (in the past tense). On the final page the children should draw a picture of the animal with the phrase: *It was a (animal name)!* Have the children share and guess each other's animals, and then use the books to make a display.
